

TEXTILE CARE CAREERS AT ECOLAB

As the global laundry experts, Ecolab's Textile Care Division provides full cycle solutions designed specifically to meet commercial laundry challenges, help reduce total operational costs and give our customers a competitive advantage. Our sales and service professionals provide products, systems and services that meet the complex needs of large commercial laundry operations. Ecolab delivers a total approach to laundry problems with a wide and varied offering that is unmatched in the industry. Through our associates, Textile Care offers expert consulting to help customers control their total cost to launder.

CAREER PROGRESSION

For motivated sales professionals early in their career the Territory Manager-in-Training role offers you an opportunity to learn a territory of accounts, helping to improve results and identify efficiencies in the commercial laundry environment. For experienced sales and commercial laundry professionals looking for the next step in their careers, the Territory Manager or highly technical Service Specialist roles offer the next level of technical sales challenges. Experienced field sales managers can also find unique and challenging roles at Ecolab whether looking to manage a team as a District Manager or taking on the challenge of large accounts in a Corporate Accounts Manager role. Regardless of your professional level, driven and motivated sales and service professionals can find a career home with Ecolab Textile Care.

AVAILABLE ROLES*

- Corporate Accounts Manager

WHY ECOLAB TEXTILE CARE?

"I was seeking an organization that is multi-divisional, proud of its culture, offers advancement opportunities within, and most importantly, ethics." – *District Manager*

"Textile Care is challenging and allows for rewards based on customer satisfaction. The environment is always changing so you are not doing the same thing day after day. I truly believe that after being in this industry 23 years I learn something new every day working for Ecolab. I Love my Job!!!" – *District Manager*

"I believe Ecolab Textile Care offers the best of two worlds; the support and benefit of a Fortune 500 company, with the customer relations and camaraderie you would expect from a small company." – *AVP*
