

Quadexx[®]

For the Food Processing Industry

ADVANCED AUTOMATED CHEMICAL DISPENSING SYSTEM PROVIDES:

- ▲ Improved operational efficiency
- ▲ Cost optimization
- ▲ Safer work environment
- ▲ Enhanced Information access 24/7/365

The Quadexx[®] food processing sanitation chemical product line provides general and unique food processing sanitation needs, helping to ensure consistent and accurate dispensing of chemicals to reduce labor costs associated with sanitation rework and pre-operative failures.

The Quadexx line of cleaners and sanitizers include:

- ▲ Alkaline Circulation Cleaners
- ▲ Alkaline Foaming Cleaners
- ▲ Boil-Out Cleaners
- ▲ Chlorinated Cleaners & Sanitizer
- ▲ Manual General Purpose Cleaners
- ▲ Smokehouse Cleaners
- ▲ Solvated Cleaners
- ▲ Thin Film Cleaners

Quadexx®

For the Food Processing Industry

ENHANCED OPERATIONAL EFFICIENCIES

- ▲ Flexible equipment configuration - one of four Quadexx modules can be selected to meet the needs of different sizes and types of food processors with a range of sanitation requirements.
- ▲ Module features including high volume dispensing and remote chemical delivery improve operational efficiencies by reducing cleaning time and labor associated with manual procedures common to food processors.
- ▲ On-site dilution of products to improve control of chemical usage.

IMPROVED SAFETY

- ▲ High volume dispensing and remote chemical delivery to food processing equipment such as fryers, blanchers, or kettles, helps enhance safety by reducing manual allocation and transfer activities.
- ▲ Less product handling by plant workers.
- ▲ Controlled access and training to designated employees.

BUSINESSS-CRITICAL INFORMATION THROUGH WEB-BASED TECHNOLOGY

- ▲ Quadexx provides food processing customers immediate access to sanitation information through the personalized, secure Quadexx web page via the Internet through MyEcolab.com.
- ▲ Over fifteen management reports with usage and cost information can be customized to meet the specific information requirements of food processors.
- ▲ Material Safety Data Sheets of food processing sanitation chemicals.
- ▲ Full Spanish translation available on view station.
