

The logo for 'tsunami' features the word in a bold, white, lowercase sans-serif font on a black background. To the right of the text are three curved, overlapping lines in shades of blue and white, suggesting waves or a tsunami.

TSUNAMI[®] 100 PROGRAM HELPS WESTERN APPLE JUICE PROCESSOR REDUCE SPOILAGE ORGANISM COUNTS IN RECEIVING AREAS.

Problem:

Unacceptable levels of an apple spoilage organism known to impact taste were present on apples in the apple receiving pit.

Solution:

Feed Tsunami 100 into apple receiving pit water allowing adequate contact time for effective kill. Typical contact time for count reduction is 45 seconds.

Results:

Spoilage organism counts were greatly reduced as Tsunami 100 concentration was increased. Tsunami performance was consistent in several tests conducted on different incoming apples.
