

POWERFUL DEGREASING. MADE EASIER.

## Ecolab Managed Hi-Temp Tool Program

- ▲ Increased user safety
- ▲ Cleans hard-to-reach areas
- ▲ Hi-temp durability (350°F)
- ▲ Multi-function heads:
  - Detachable
  - Large surface
  - Multiple styles

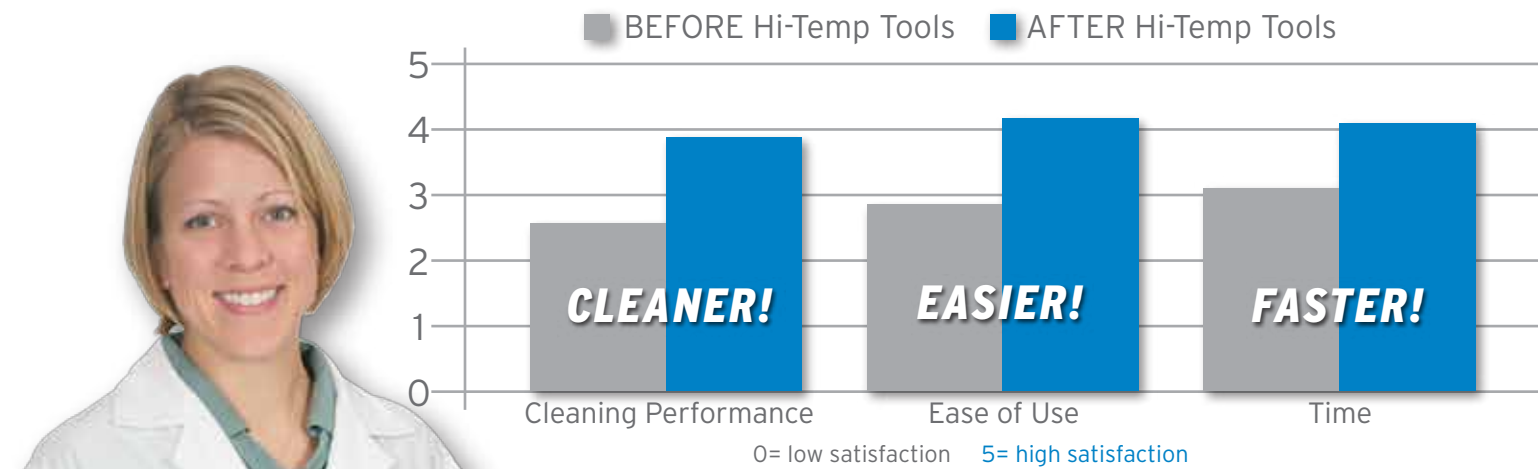

Temperature-resistant tools, ergonomically designed for effective and easy use, deliver better results in less time.

## MANUAL OVEN CLEANING

Ecolab's Hi-Temp Tools are a new line of proprietary degreasing tools designed specifically to help with the tough manual degreasing challenges in the retail environment. The new tools are ergonomic, powerful, and easy to use, resulting in less time spent cleaning with better results.

Testing shows **SATISFACTION INCREASE ACROSS THE BOARD** with Ecolab Hi Temp Tools!

As part of a **MANAGED TOOL PROGRAM**, your trusted Ecolab Representative will ensure that tools are always available and in working order through a monthly tool audit.
