

MAKE YOUR KITCHEN SHINE

Stainless Steel Cleaner and Polish

- ▲ Loosens and removes light soil from all metal surfaces.
- ▲ Leaves no residue.
- ▲ Leaves an invisible protective barrier against soil and corrosion.
- ▲ Makes the next cleanup so much easier.

Effective on all metal kitchen surfaces, including brass, copper and aluminum.

Stainless Steel Cleaner and Polish removes light soil, restoring sheen to metal surfaces. Specially designed to clean stainless steel, it is safe for use on all metals, including brass, copper and aluminum. It creates a protective barrier that keeps out soil and moisture and makes cleaning easier. It leaves no messy residue.

DIRECTIONS:

1. Remove heavy soil from surfaces. Use LIME-A-WAY® for mineral soils and Greasecutter NC®, Greasecutter Plus® and Greasestrip Plus® for organic soils.
2. Shake can well before using.
3. Spray Stainless Steel Cleaner & Polish onto dry stainless steel surface. Wipe with a dry cloth until shiny.
