# Your 2021 benefits

### ELIGIBILITY

If you are a regular full-time or part-time U.S. employee scheduled to work at least 20 hours a week, you and your dependents are eligible for coverage.

You must participate in a benefit plan to enroll your dependents. Eligible dependents include:

- Your spouse
- Your domestic partner (same- or opposite-sex)
- Your or your spouse/domestic partner's dependent child(ren), up to age 26
- Your or your spouse/domestic partner's disabled dependent child(ren) over age 26

### DEPENDENT VERIFICATION

If you enroll an eligible dependent for the first time, you must provide documentation confirming their relationship to you. You'll receive a request for documentation following the completion of your enrollment. If you do not provide the requested documentation, your dependents will not be covered.

Examples of required documentation include:

- Marriage certificate
- Domestic partner affidavit
- Federal tax returns
- Birth certificate for biological children showing you as parent
- Court papers for adopted children or children placed for adoption, legal guardianship or custodianship

### For more information

Review the Summary Plan Descriptions (SPDs) available on **INSIDE Ecolab**. These SPDs are detailed documents that describe eligibility, benefits coverage, how to claim benefits and when benefits become vested.

# How to enroll

Enroll in your benefits online or by phone.

### ONLINE 24/7

To get started, visit [My Benefits](#) > Start Your Enrollment from any device with internet access.

If you are a first-time user, you must register. Select "First time visiting? Register Now!" and answer the questions to set up your username and password.

Click on "Start Your Enrollment." Follow the on-screen instructions to enroll and take advantage of tools to help you make your decisions. Print a confirmation of your enrollment to keep for your records.

### BY PHONE

If you don't have access to the internet or need further assistance, call the Ecolab Benefits Center at **1.800.964.0265** Monday through Friday, between 7 a.m. and 7 p.m. Central time.

### CHANGING COVERAGE DURING THE YEAR

The IRS limits changes to your benefit elections during the year. The elections you make during open enrollment are effective for the 2021 calendar year. If you experience a life event, such as birth, marriage, divorce, etc., you must make changes within 31 days of the event. **If you do not make changes within 31 days of the event, you cannot make a change to your benefits coverage until the next open enrollment period.**

Visit [My Benefits](#) to make changes.

**Note:** Changes to your Health Savings Account or Employee Stock Purchase Plan can be made at any time.

## Do you need to enroll?

Your 2020 coverage will continue for 2021 – including any contributions you are making to the Health Savings Account (HSA).

However, you **must** enroll if you want to:

- Contribute to either the Health Care or Dependent Day Care Flexible Spending Accounts (FSAs)
- Choose a different medical plan
- Increase your HSA contributions for 2021
- Change any of your other benefit elections

## Newly hired?

**You must complete your benefits enrollment within 31 days of your date of hire.**

Your benefits and payroll deductions are retroactive to your hire date, except for the HSA, FSAs and the Employee Stock Purchase Plan, which are effective on a go-forward basis.

**If you do not enroll, you will default to NO COVERAGE in 2021** for medical, prescription, dental, vision, FSAs, Optional Life and AD&D Insurance, Optional Long-Term Disability Insurance and group legal services.

## Medical plans

## Medical plans

Whether you are facing an illness or injury, or simply use preventive care, Ecolab offers comprehensive protection against the financial hardship that can accompany a medical need. Ecolab offers two medical plan choices: the Health Savings Account Plan and the Traditional Plan.

Both plans offer:

- Coverage for the same health care services
- In-network preventive care services at 100% with no deductible
- Access to a national network of high-quality providers through Cigna
- Prescription drug coverage through CVS/caremark
- Freedom to see the health care provider of your choice with no referral

### Is your provider in-network?

To confirm your doctor is in the Cigna network or to find an in-network provider near you:

- If you're enrolled in a medical plan, visit [My Benefits](#) and click on the myCigna Portal link under My Carrier Accounts, or call **1.800.900.3791**
- If you're not currently enrolled in a medical plan, call **1.800.401.4041**

## Medical plans

# Health Savings Account Plan

## HOW THE PLAN WORKS

- 1 In-network preventive care is covered 100%. Out-of-network preventive care is not covered by the plan.
- 2 You pay the full cost of all non-preventive care (including most prescriptions) until you reach your deductible.
- 3 After you meet your deductible, the plan shares the cost of your non-preventive care (including prescriptions) through coinsurance up to the annual out-of-pocket maximum.
- 4 When you meet your out-of-pocket maximum, the plan will pay 100% of all covered in-network expenses for the remainder of the calendar year.

**Learn more** about prescription drug coverage.

## Plan highlights

- Pay lower premiums with a higher deductible and out-of-pocket maximum
- Paired with a **Health Savings Account (HSA)**
- Can enroll in a **Limited Purpose Health Care Flexible Spending Account (FSA)**
- Prescriptions apply to the medical plan deductible and out-of-pocket maximum
- Certain preventive drugs covered at 100%

## Medical plans

# Traditional Plan

## HOW THE PLAN WORKS

- 1 In-network preventive care is covered 100%. Out-of-network preventive care is not covered by the plan.

### With the exception of prescriptions

- 2 You pay the full cost of all non-preventive medical care until you reach your deductible.
- 3 After you meet your deductible, the plan shares the cost of your non-preventive medical care through coinsurance up to the annual out-of-pocket maximum.
- 4 When you meet the out-of-pocket maximum, the plan will pay 100% of all covered in-network medical expenses for the remainder of the calendar year.

**Learn more** about prescription drug coverage.

## Plan highlights

- Pay higher premiums with a lower deductible and out-of-pocket maximum
- Can enroll in a **Health Care Flexible Spending Account (FSA)**
- Prescriptions do not apply to the medical plan deductible and have a separate out-of-pocket maximum
- Certain preventive prescription drugs covered at 100%

<sup>1</sup> If you receive services from an out-of-network provider, the plans will only cover 150% of a fee schedule developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. You will be responsible for any fees in excess of what is considered 150% of the fee schedule. Charges in excess of the fee schedule do not apply toward your deductible or out-of-pocket maximum.

Watch a **short video** to learn more about the differences between the Health Savings Account Plan and the Traditional Plan.

Medical plans

## Medical premiums

Ecolab pays the majority of your medical plan cost and you pay the other portion with pre-tax premiums out of each paycheck. The premiums shown are monthly and will be spread over your paychecks received during the month.

| Coverage tiers                         | Health Savings Account Plan | Traditional Plan |
|--|-----------------------------|------------------|
| Employee only                          | \$162                       | \$229            |
| Employee + spouse/<br>domestic partner | \$300                       | \$424            |
| Employee + child(ren)                  | \$258                       | \$390            |
| Family                                 | \$420                       | \$604            |

Note: If you cover your domestic partner or your domestic partner's children, the total value of your domestic partner's benefit is imputed income and may be taxable.

### Domestic partner premium taxation

If you enroll your domestic partner or your domestic partner's children in medical, dental and/or vision coverage, the total value of their benefit is taxed as imputed income.

Each pay period, your earnings will be increased for tax purposes, but the increased earnings are not reflected in your net pay. This means the full cost to cover your domestic partner and/or their children includes your premiums plus the imputed income tax.

## Health Savings Account

## Understanding the Health Savings Account

If you enroll in the Health Savings Account Plan, you can contribute to a Health Savings Account (HSA) on a pre-tax basis through payroll deduction. You can start, stop or change your HSA contributions at any time. Ecolab may also make contributions based on your annual pay, if you are eligible.

An HSA is not an FSA

[Learn more](#) about how they differ.

Health Savings Account

## Eligible for an HSA?

If you enroll in the Health Savings Account Plan, an account with HSA Bank will automatically be opened for you. However, due to the tax-advantaged nature of an HSA, there are specific eligibility requirements, including:

- You may not be covered by another non-qualified high deductible health plan (for example, a spouse’s traditional medical plan that covers you).
- You and your spouse may not enroll in a medical Flexible Spending Account that could reimburse your medical expenses.
- You may not be enrolled in a government health plan, such as Medicare A and/or B or Medicaid.
- Children who are not your tax dependents are not eligible for reimbursement from the HSA.
- You may not have an HSA and be claimed as a dependent on someone else’s tax return.

If any of the above eligibility requirements apply to you, you must call the Ecolab Benefits Center at **1.800.964.0265** to decline the HSA. By declining the HSA, you will not be eligible to receive Ecolab contributions to the account.

## Health Savings Account

## 2021 HSA contributions

Ecolab's contribution to your HSA is based on your 2019 annual pay as shown in the chart below. You may also choose to contribute to your HSA, based on the annual limits below.

| Ecolab contributes...  | Throughout 2021, you can contribute through payroll deduction...   |
|--|--|
| <p><b>Group 1:</b> If your annual pay<sup>1</sup> is less than \$60,000</p> <ul style="list-style-type: none"> <li>• <b>\$1,000</b> for employee only coverage</li> <li>• <b>\$2,000</b> for all other coverage tiers</li> </ul> <p><b>Group 2:</b> If your annual pay<sup>1</sup> is \$60,000 - \$120,000</p> <ul style="list-style-type: none"> <li>• <b>\$350</b> for employee only coverage</li> <li>• <b>\$700</b> for all other coverage tiers</li> </ul> <p><b>Group 3:</b> If your annual pay<sup>1</sup> is more than \$120,000, there is no Ecolab HSA contribution.</p> | <p>Your total HSA contribution (both the contribution made by Ecolab and by you) can be:</p> <ul style="list-style-type: none"> <li>• Up to <b>\$3,600</b><sup>2</sup> for employee only</li> <li>• Up to <b>\$7,200</b><sup>2</sup> for employee + spouse/domestic partner coverage, employee + child(ren) or family coverage</li> <li>• An additional <b>\$1,000</b><sup>2</sup> if you are age 55 or older anytime in 2021</li> </ul> |

<sup>1</sup> Annual pay is based on your eligible earnings paid during the 2019 calendar year, including base salary, eligible overtime pay, shift differential premium, commissions, annual incentive bonuses paid in the form of cash (but not long-term incentive bonuses), vacation pay and personal leave. If you were hired in 2019 and worked less than 12 months, or were hired in 2020, your total base pay on date of hire in Workday will be used to determine your Ecolab HSA contribution.

<sup>2</sup> These amounts are set by the IRS and may change annually, and include both your and Ecolab's contributions.

### TIMING OF CONTRIBUTIONS

Ecolab's HSA contributions, if applicable, will be divided so that 50% will be deposited to your HSA in January 2021 and 50% will be deposited in July 2021. To receive the contribution, you must be employed at Ecolab on the date the contribution is made.

**Note:** In some instances, the bank may request additional information from you to verify the account before it can be opened. Your employee and/or employer HSA contributions will be pended until your account has been opened. If your account has not been opened by December 1, you are not eligible for the HSA employer contribution for that plan year.

## Health Savings Account

### Using your HSA

Funds in your HSA can be used to pay for:

- Qualified medical expenses
- Qualified dental, vision and hearing expenses
- COBRA continuation coverage if you leave employment with Ecolab
- Qualified long-term care insurance

Funds can also be used to build savings to cover future medical expenses into retirement, including Medicare premiums and out-of-pocket expenses.

You will receive a welcome kit, including an HSA debit card, which may be used to pay for qualified health care expenses directly. Or you may reimburse yourself from your HSA at a later date. You own the amount in your account and may take it with you if you leave Ecolab.

You do not need to provide proof of your expenses to HSA Bank. However, you should keep your receipts in case you are audited and need to provide proof that your withdrawals were for qualified health care expenses.

#### ALREADY HAVE AN HSA?

Visit [My Benefits](#) and click on the myCigna Portal link under My Carrier Accounts to view your balance or learn more.

#### Newly hired?

You have 31 days from your date of hire to enroll in the Health Savings Account medical plan.

#### Your Ecolab contribution schedule:

- Coverage effective January 1 - June 30: 50% deposited following enrollment, 50% deposited in July
- Coverage effective July 1 - October 31: 50% deposited following enrollment, no additional contribution for 2021
- Coverage effective November 1 - December 31: No Ecolab contribution for 2021

**Note:** Your contributions to any HSA in 2021 – including those with a prior employer – count toward your IRS annual limit. Please consider the amount already contributed this year in addition to any eligible Ecolab employer contributions when electing your 2021 HSA payroll contributions.

For additional information about how the HSA works, please read [pages 11-14](#) of this benefits guide.

## Prescription drugs

## Prescription drug coverage

Prescription drug benefits are administered by **CVS/caremark** and included in both of Ecolab's medical plan options – there's no need to enroll separately.

Your cost for prescription drugs will depend on what type of prescription you need: generic, formulary brand, nonformulary brand or lifestyle management. Review the formulary to confirm what category your prescription medication is and verify coverage.

The table on the next page shows the out-of-pocket cost for retail and mail-order prescriptions.

**Note: In the Health Savings Account Plan, you must meet the medical plan deductible before the cost sharing on the next page applies. Some preventive drugs are paid in full before the deductible.**

Prescription drugs

## Managing your medications

Your prescription drug program through CVS/caremark includes a number of drug utilization management programs.

### CVS/CAREMARK MAIL ORDER OR CVS PHARMACY

If you regularly take a medication to manage or prevent a condition, you **must** use mail order to fill that prescription. Visit [CVS/caremark](#) for more information.

As an alternative to mail order, you can fill your prescription at a local CVS retail pharmacy. You may purchase the first two refills of a long-term medication at any in-network retail pharmacy. If you do not use the CVS retail pharmacy for the third refill, you will pay the full cost of the third refill when purchased at a non-CVS retail pharmacy.

### FACTORS AFFECTING PRESCRIPTION COSTS

Drugs are added and removed from the formulary brand list throughout the year, which may impact your cost if your prescription is reclassified. Prescription drug costs are also subject to price changes from the manufacturer.

### Estimate your prescription expenses

Knowing how much you spend on prescription drugs can help you make informed choices. Contact CVS/caremark at **1.866.490.0021** to help you estimate your prescription drug costs.

### ONEGUIDE

Navigating the health care system can be challenging. What if you only had to call one person when you needed something? And that person could handle just about anything in one simple call? With OneGuide, you do.

OneGuide offers a more robust level of customer service in addition to standard customer service representatives. They are highly trained professionals who are knowledgeable about the specifics of Ecolab's medical plans.

- Personal Guides are available 8 a.m. to 12 a.m., Monday through Friday (all time zones)
- Standard customer service representatives are available the rest of the time; remember, Cigna is available 24/7

Call **1.800.900.3791** to connect with a guide.

### ESTIMATE YOUR EXPENSES WITH ASK EMMA

Knowing how much you spend on health care can help you make an informed decision. During your enrollment, Emma can help by walking you through a short interview and, based on your answers, provide the lowest estimated out-of-pocket costs.

- Personalized cost comparisons by health scenarios helping you choose the plan that best meets your needs
- Provides helpful and informative content throughout the enrollment process

Find Emma in the "Start Your Enrollment" or "Qualified Life Event" section of *My Benefits*.

### Ask Emma!

Ask Emma provides a tailored recommendation helping to alleviate the guesswork in making your benefits decisions.

## Around-the-clock telemedicine: MDLIVE®

Health care should be simple, fast and uncomplicated. MDLIVE makes it easy to visit a doctor in minutes through a mobile app, online and by phone. Get access to quality health care without ever leaving your home, your job or wherever you are.

MDLIVE is offered as part of your Cigna medical plan and provides:

- An alternative to using the emergency room or urgent care
- A national network of licensed, board-certified, U.S.-based doctors
- Prescriptions sent to your pharmacy by the provider
- Coordination with your primary care provider

Telemedicine is an affordable, convenient option for minor medical conditions and usually costs less than a traditional doctor's office or urgent care visit. And your out-of-pocket cost is the same or less than a visit with your primary care provider.

### HOW TO USE MDLIVE

Call **1.888.726.3171**, log into **MDLIVE** or download the MDLIVE app from the Google Play™ store or Apple® App Store®. MDLIVE is available 24/7/365, including holidays.

### When to use MDLIVE

- Common cold
- Allergies
- Constipation
- Cough
- Diarrhea
- Fever
- Flu
- Headache
- Vomiting
- Pink eye
- Sore throat

Dental plan

## Dental plan

Staying healthy includes good dental care. Ecolab's dental plan provides the comprehensive coverage necessary to help you and your family maintain good dental health. The dental benefit is administered by MetLife.

### HOW THE PLAN WORKS

You have the flexibility to see any dentist you choose. However, greater discounts and benefits are available by seeing an in-network dentist.

Is your provider  
in-network?

To find a dentist in the MetLife network, call **1.800.942.0854** or visit **MetLife**.

## Vision plan

### Vision plan

Ecolab offers coverage to help you pay vision expenses, such as annual exams and eyeglasses (lenses and frames) or contacts. This benefit is administered by Vision Service Plan (VSP).

#### HOW THE PLAN WORKS

You have the freedom to receive services from any provider. You will, however, receive a greater level of benefit if you use a provider who participates in the VSP Signature network. By using a network provider, you may also receive discounts for services not otherwise covered by the vision plan (i.e., sunglasses and laser vision correction).

Is your provider  
in-network?

To find a provider in the VSP  
Signature network, call  
**1.800.877.7195** or visit **VSP**.

## Flexible Spending Accounts

## Flexible Spending Accounts

Flexible Spending Accounts (FSAs) can help you save money on out-of-pocket medical, prescription, dental, vision and dependent care expenses. The FSAs are administered by PayFlex and enable you to set aside pre-tax money to pay for eligible expenses.

### HOW THE FSAs WORK

You contribute pre-tax dollars through payroll deductions during the year. You may use your health care FSA debit card to pay providers, or submit claims to reimburse yourself for eligible expenses as you incur them. Expenses must be incurred by December 31, 2021 and submitted for reimbursement by March 31, 2022.

### Remember:

You must actively enroll in an FSA each year to participate. FSA elections do not carry over.

## THERE ARE THREE TYPES OF FSAs

| Health Care FSA  | Limited Purpose Health Care FSA   | Dependent Day Care FSA   |
|--|---|--|
| <ul style="list-style-type: none"> <li>• Available to employees <b>not</b> enrolled in the Health Savings Account Plan</li> <li>• Used to pay for eligible health care expenses you pay out of pocket (e.g., copayments, deductibles, eyeglasses, contacts, hearing aids, etc.)</li> <li>• Carry over up to \$550 into the next plan year for unused expenses</li> </ul> | <ul style="list-style-type: none"> <li>• Available <b>only</b> to employees enrolled in the Health Savings Account Plan</li> <li>• Used to pay for qualifying dental and vision expenses only. You may use your HSA to pay for medical or prescription drug expenses pre-tax</li> <li>• Carry over up to \$550 into the next plan year for unused expenses</li> </ul> | <ul style="list-style-type: none"> <li>• Available to all employees</li> <li>• Used to pay for eligible dependent day care expenses for a child (e.g., child care for children up to the age of 13) or an elderly parent or disabled spouse</li> <li>• “Use it or lose it” rule applies. Expenses must be incurred by December 31, 2021 or your contributions will be forfeited</li> <li>• Dependent Care FSA is not eligible for the \$550 carryover</li> </ul> |

## 2021 CONTRIBUTION LIMITS

|   |                |

### Flexible Spending Accounts

## Life and disability

## Life insurance

Protecting the financial interests of your loved ones in the event of your death or serious injury can be invaluable. Ecolab provides life and AD&D (accidental death or dismemberment) benefits through Prudential.

### HOW THE PLAN WORKS

Life insurance benefits are payable to your designated beneficiary in the event of your death. An additional AD&D benefit is payable to you in the event of a covered dismemberment or to your beneficiary if your death is the result of an accident.

## Name your beneficiaries

In the event of your death, your life benefits are paid to your beneficiaries. Naming your beneficiary ensures the money goes to the right person. You can designate more than one beneficiary or name a trust, charity or estate to receive the benefit.

## COVERAGE PROVIDED BY ECOLAB

### • Basic Life Insurance

- If you were hired on or after January 1, 2019: Coverage is equal to one times your annual pay (as defined by the plan), rounded to the next higher \$1,000 increment, up to a \$2 million maximum.
- If you were hired before January 1, 2019: Coverage is equal to two times your annual pay (as defined by the plan), rounded to the next higher \$1,000 increment, up to a \$2 million maximum.
- Per IRS regulations, you pay tax on the premium paid by Ecolab for coverage over \$50,000.

- **Business Travel Accident Insurance** – Coverage for accidental death while traveling on company business; equal to three times your pay, up to a \$1 million maximum limit with a \$250,000 minimum benefit.

## OPTIONAL EMPLOYEE-PAID COVERAGE

- **Optional Employee Life Insurance** – One to nine times your pay, up to \$2 million maximum. Evidence of Insurability (EOI) may be required if your Optional Life amount exceeds the lesser of four times earnings or \$500,000.
- **Optional Employee Accidental Death & Dismemberment (AD&D)** – Available in flat dollar amounts of \$50,000, \$100,000, \$250,000, \$500,000, \$750,000 and \$1 million. No Optional Spouse/Domestic Partner or Child AD&D is available.
- **Spouse/Domestic Partner Life Insurance** – Available in increments of \$10,000, \$25,000, \$50,000, \$75,000, \$100,000 and \$150,000. EOI will apply for any new coverage over \$50,000.
- **Child Life Insurance (per child)** – Available in increments of \$5,000, \$10,000, \$15,000, \$20,000 and \$25,000 for children from live birth up to age 26.

## Increasing your coverage

You can increase one level of coverage **during annual** open enrollment without providing Evidence of Insurability (EOI). However, if you decide to increase your coverage two or more levels above your current amount, EOI will be required.

## Newly hired?

### EOI may be required if:

- You elect an Optional Employee Life Insurance amount that exceeds the lesser of four times earnings or \$500,000
- You elect Spouse/Domestic Partner Life Insurance coverage over \$50,000

Life and disability

## Estimate your coverage needs

Your coverage needs likely change over the years. Use the **Prudential estimator tool** to assess your needs.

## Disability

Ecolab's disability program is designed to provide income protection if you are unable to work due to an accident or sickness.

### HOW IT WORKS

Disability claims are reviewed and approved by Lincoln Financial. If approved, employees may be eligible for disability pay.

- **Short-term disability** – Ecolab provides up to 25 weeks of disability pay at no cost to you. Review the [short-term disability policy](#) for more information.
- **Long-term disability** – Ecolab provides insurance to protect your income if you become disabled and are unable to work for an extended period of time. If approved by Lincoln Financial, payments begin after 180 days of continuous disability (after short-term disability ends).
  - Basic coverage: 60% of your pay at no cost to you
  - Optional coverage:\* purchase an additional 10% of your pay, for a total benefit of 70% pay replacement, on a pre-tax basis

**Note:** A maximum limit of \$15,000/month in taxable income protection applies to basic and optional combined. Your benefit will be taxed when you receive it.

\* If your annual base salary exceeds \$300,000, Optional Long-Term Disability is not available.

## 401(K) SAVINGS PLAN

The Ecolab 401(k) plan is key to helping you achieve your long-term financial goals. The plan allows you to save for your retirement with pre-tax and/or Roth after-tax contributions.

### Plan highlights

- Available to full-time and qualifying part-time employees
- Administered by Fidelity with a variety of investment options
- Ecolab matches 100% of the first 4% of pay you contribute and 50% of the next 4%, for a total match of up to 6% of pay (IRS limits may apply)
- Your contributions **and** Ecolab's matching contributions are 100% vested
- Contribute from 1% to 50% of your pay up to the IRS annual limit (\$19,500 in 2021)
- Age 50 or older? Make catch-up contributions up to \$6,500 in 2021

### ACCESSING YOUR 401(K)

To access your 401(k), visit [My Benefits](#) and click on the Fidelity 401(k) Portal link under My Carrier Accounts, or call **1.800.835.5091** to:

- Enroll
- Update your beneficiaries
- View your balance
- Make changes to your contributions
- View your Ecolab match
- Change your investment allocations
- Review the Savings Plan Prospectus and Summary Plan Description

## Retirement benefits

### Newly hired?

- There is no waiting period to participate in the 401(k).
- Enroll in the plan anytime after receiving your first paycheck. Once your enrollment is complete, your payroll deductions will begin.
- To enroll in the 401(k), or roll over funds from a previous employer, visit [My Benefits](#) and click on the Fidelity 401(k) Portal link under My Carrier Accounts

Your contributions to any 401(k) plan in 2021 – including those with a prior employer – count toward your IRS annual limit. Please consider all your 401(k) contributions when electing your 2021 contribution percentage under the Ecolab 401(k) Savings Plan.

## PENSION PLAN

The Ecolab Pension Plan is another way Ecolab contributes to your retirement income. This benefit is fully paid for by Ecolab.

### Plan highlights

- Consists of a Cash Balance Pension Plan with contribution credits equal to 3% of your annual compensation
- Vested after three or more years of continuous service
- Elect to receive your benefit in a lump sum or in monthly payments for your lifetime after you leave Ecolab

Visit [My Benefits](#) and click on the Your Pension Resources link under My Carrier Accounts for personalized estimates, to update your beneficiaries and for other information regarding your Ecolab pension benefits.

## RETIREE HEALTH BENEFITS

If you are at least age 55 with 10 years of service, or age 62 or older on the date of your retirement, you have the option to enroll in retiree health benefits, which include medical, prescription, dental and vision coverage. You will have a one-time opportunity to enroll in Ecolab's retiree health benefits following your retirement.

## POST-RETIREMENT DEATH BENEFIT

If you meet the above retiree health benefit requirements, and retire on or before December 31, 2021, Ecolab provides a \$10,000 company-paid death benefit, which will be paid to your beneficiary. There is no cost to you for this benefit.

## Retirement benefits

### Planning to retire?

Ecolab is here to support you. Visit the [Retirement Resource Center](#) for information and tools to help you prepare for retirement.

### Newly hired?

Your participation in the Ecolab Pension Plan is automatic. You become a participant on January 1 following your hire date.

## Other benefits and programs

In addition to your core benefits, Ecolab also provides optional benefits to support you both at work and at home.
