ECOLAB INFECTION PREVENTION

Discover Ecolab disinfectants and hand hygiene solutions

Sanitizer and Disinfectant

Sink & Surface Cleaner Sanitizer and Rapid Multi Surface Disinfectant Cleaner both offer benefits to manage public health risks when used according to the label. This guide will provide a quick definition of where and why to use each product.

SINK & SURFACE Cleaner Sanitizer

FOOD CONTACT SURFACES

Cleans, sanitizes, and kills viruses in 2 steps on hard, non-porous, food contact surfaces without rinse

- Front of House
- Back of House
- Third Compartment Sink Sanitization

2-IN-1 CLEANER & SANITIZER

- Broad foodservice applications including food contact surfaces and third compartment sink sanitization
- Meets FDA Food Code requirements
- No PPE required at use dilution and when using spray bottle or immersion application

CONFIDENCE IN CLEAN

- Kills SARS-CoV-2 in 15 seconds¹
- Kills Norovirus, common cold and flu viruses in 30 seconds¹
- Sanitizes bacteria that causes foodborne illnesses in 1 minute¹

RAPID Multi Surface Disinfectant Cleaner

NON-FOOD CONTACT SURFACES

Cleans, disinfects, and kills viruses in 1 step on hard, non-porous, non-food contact surfaces

- Restrooms
- High Touchpoints
- Glass

4-IN-1 CLEANER & DISINFECTANT

- One product disinfects and cleans hard surfaces to help make your cleaning process easier
- Provides soft surface sanitization and disinfection
- Streak-free performance on hard surfaces and glass
- No PPE required at use dilution and when using a spray bottle application

CONFIDENCE IN CLEAN

- Kills SARS-CoV-2 in 10 seconds and kills Norovirus and the common cold and flu viruses in 30 seconds²
- Hospital disinfection in 3-5 minutes² using spray applications
- Soft surface disinfection in 10 minutes²

Where

Why

Efficacy

Multi Purpose Disinfecting Wipes are convenient and easy disinfection and clean up of high touch point hard surfaces.

6102469 6/185 count

- EPA-registered³ disinfectant for general purpose
- Kills norovirus (10 minute contact time)⁴
- Kills SARS-CoV-2 in 4 minutes⁴
- Safe for use on hard, non-porous surfaces

Hand Hygiene

The World Health Organization (WHO)⁵ and Centers for Disease Control and Prevention (CDC) both recommend washing your hands often and correctly with soap and water for **at least 20 seconds** as the first line of defense for hand hygiene. If soap and water are not readily available, use a hand sanitizer that contains **at least 60% alcohol**. Avoid touching your eyes, nose and mouth with unwashed hands.

FREQUENT HANDWASHING

Thoroughly wash hands and exposed portions of arms with Ecolab hand soap and warm water

for at least

seconds.

Use designated handwashing sink.

SANITIZE HANDS

Use alcohol based Ecolab hand sanitizer without rinse.

should contain at least

60%

alcohol.

COVER YOUR MOUTH & NOSE

Cough or sneeze into a tissue or flexed elbow.

Throw away tissue and wash hands.

¹ When used according to the direction for use. Refer to EPA Reg. No. 1677-260.
² Rapid Multi Surface Disinfectant Cleaner is EPA registered (EPA Reg No 1677-272 for the concentrate and EPA Reg No 1677-273 for the RTU). Refer to the product label for complete listing of efficacy claims and directions for use.

³ EPA-Reg. No. 6836-340-1677.

⁴ Refer to EPA Reg. No. 6836-340-1677 and follow directions for use. State approvals in progress.

ECOLAB'S SIMPLIFIED HOUSEKEEPING PROGRAM

EXPERIENCE CLEAN IN A WHOLE NEW WAY

A Clean you can See & Smell

Keep your spaces fresh and clean with the enhanced 2+1 housekeeping program from Ecolab. You only have one chance to make a first impression — we'll help you make a good one.

DID YOU KNOW?

73% of executive housekeepers expect thorough disinfection. Ecolab provides the bathroom and all purpose room cleaners to do just that.²

-  All Purpose
-  Bathroom
-  Odor Control

¹ Rapid Multi Surface Disinfectant Cleaner is EPA registered (EPA Reg No 1677-272 for the concentrate and EPA Reg No 1677-273 for the RTU). Refer to the product label for complete listing of efficacy claims and directions for use.
² Bathroom cleaning expectations obtained through hotel manager interviews, conducted in 2011.

Oasis™ Pro

- Ecolab's Oasis Pro Housekeeping System provides ultra-concentrated products for high-end performance and an integrated dispensing control for consistent efficiency and training. Its revolutionary packaging eliminates employee contact with concentrated solutions and reduces packaging waste by over 90 percent, versus ready-to-use spray bottle applications.

Oasis Pro™

Product

Rapid Multi Surface Disinfectant Cleaner³
6102259 2/2 L
6102257 2.5 gal

Description

Help improve operations with a flexible, 4-in-1 disinfectant cleaner with kill claims against SARS-CoV-2, Norovirus, and Influenza.¹ Instill confidence with clean, healthy spaces and optimize cleaning efficiencies to make cleaning easy on staff. Simplify cleaning with one product across a variety of spaces and surfaces including public spaces, bathrooms, tables and hard furniture. Effective on high touch point hard surfaces, mirrors, windows, glass, fixtures, plus disinfection and soft surface sanitization¹.

No-Rinse Alkaline Floor Cleaner
6102106 2.5 gal

No-Rinse Alkaline Floor Cleaner is a high-performance alkaline floor cleaner that delivers superior cleaning results to both the front and back of house. Compatible with most flooring substrates and safe on grout.

High Performance Neutral Floor Cleaner
6100035 2/2 L
6100036 2.5 gal

Ultra low foaming, for daily use in automatic scrubbers and mop buckets. Use with hard or soft water on all floor surfaces. Removes soils without leaving a film or haze. Cleans without removing floor finish or dulling. No rinsing.

Product

Scrub Free Bathroom Cleaner and Disinfectant³
6101798 2/2 L
6101797 2.5 gal

Description

EPA-registered cleaner delivers 5-minute hospital-grade hard surface disinfection at dilution rate. Effective against Norovirus, mold, mildew and fungi. Requires no PPE at use dilution.

73 Disinfecting Acid Bathroom Cleaner³
6101040 2/2 L
6101041 2.5 gal

EPA-registered heavy duty and hospital grade bathroom disinfectant ideal to remove hard water build-up and soap scum from showers. Disinfects in 5 minutes and sanitizes in 90 seconds.²

66 Heavy Duty Alkaline Bathroom Cleaner and Disinfectant³
6110158 2/2 L
6114914 2.5 gal

Phosphate-free, EPA-registered, removes common soils and heavy soap scum on tubs, showers, counter tops, toilets, sinks and other hard non-porous surfaces - will not damage PVD coated finishes.

Scrub Free Pump Foamer
9265-2530 2 pack

Pump action dispenser for Scrub Free Bathroom Cleaner and Disinfectant

¹ Rapid Multi Surface Disinfectant Cleaner is EPA registered (EPA Reg No 1677-272 for the concentrate and EPA Reg No 1677-273 for the RTU). Refer to the product label for complete listing of efficacy claims and directions for use.

² When used according to label directions; EPA Reg. No. 1677-246.

³ Meets Count on Us® Initiative Brand Standards (standard #100.02.36).

Ready-to-Use Bathroom Cleaning Products

- Ecolab offers ready-to-use bathroom cleaning products for the convenience needed when working on smaller jobs where dispensed products aren't practical. Products contain active ingredients that work fast. Pleasant fragrances leave a lasting fresh scent.

Ancillary Bathroom Cleaning Products

Product

Gel Pro™
6100574 12/16 oz

Description

Powerful phosphorus free gel bathroom cleaner with a fresh lemon fragrance and mild mildew stain remover with more destaining power than many consumer products. Clinging gel formula provides excellent surface contact and effectively cleans vertical tile and grout surfaces, no-slip strips and mats, tubs, showers and caulking.

Product

Lemon Lift
6111490 12/20 oz

Description

Heavy duty cleaner and destainer is specially formulated with chlorine bleach to remove even the toughest mold and mildew stains. The thick, clinging foam stays on surfaces longer, providing better cleaning action and requiring less scrubbing. Its strong surfactants power off soap scum while bleach attacks stains. Its light, lemon fragrance provides a clean, fresh-smelling environment for customers and makes Lemon Lift pleasant to use.

Lemon-Eze
6113094 12/32 oz

Cream cleanser quickly removes difficult spots, soap scum buildup, rust, scuffs, grease, rubber marks and more. Leaves surfaces clean and shiny and effectively cleans without harsh abrasives. Will not scratch or dull surfaces when properly used. Mildly abrasive, clinging formula is ideal for many surfaces and can be used in public restrooms, guest baths and foodservice areas. Its light, lemon fragrance provides a clean, fresh-smelling environment for your customers and makes Lemon-Eze pleasant to use.

CBC® Plus Bowl Cleaner
6100487 12/32 oz

Acidic bowl and disinfecting cleaner that combines detergent and wetting agents coupled with a phosphoric acid base. Eliminates rust, lime, organic deposits, and offensive odors from toilet bowls, urinals, wash basins, bathtubs, shower stalls and drinking fountains. Contains corrosion inhibitors.

Aim Urinal Screen
Mango
6101859 10 Pack

Ready-to-use, neutralizes odors and provides a long-lasting, fresh mango fragrance for up to 30 days. The flexible screen can be inserted either side up, reducing installation error, lattice technology eliminates urine splash.

Housekeeping Tools
Complete Tool Kit
9621-1104 1 Kit

Tools provide room attendants with all they need to help make their job safer, easier and more efficient.

Extendable pole
Swivel Pad
Foam Squeegee
Tape Roller
Non-abrasive scrubbing pad
Microfiber cleaning pad
Power Eraser™ Plus Pad

Pump-Up Foamer/Sprayer
2 blue microfiber cloths
2 pink microfiber cloths
2 yellow microfiber cloths
Laundry mesh bag
Ecolab Rinse Cup

Housekeeping Common Area Pathogen Prevention

- Follow all public health recommendations and guidelines
- Wash hands frequently with soap and water
- Use an alcohol-based hand rub
- Clean surfaces and high-touch objects with approved disinfectants
- Ensure availability and proper training of personal protective equipment (PPE)
- Minimize close contact with persons with symptoms of illness

WELCOME YOUR GUESTS WITH THE POWER OF FRESH

UNPLEASANT ODORS ARE ONE OF THE TOP GUEST COMPLAINTS

Not all odors are the same

Ecolab's air care solutions target and eliminate a variety of odors in different ways to help avoid shutdown costs caused from malodor and enhance your guest's experience.

Air Care Solutions designed to address your specific odor issues

Room Refreshers

Improved odor counteraction for daily freshening with a wide range of fragrance options

ZephAir™ Tough Odor Remover

Uniquely effective on both tobacco and marijuana smoke

Bio-Enzymatic Odor Eliminator

3-part action for instant body and pet odor removal

NEW Large Space Air Freshener

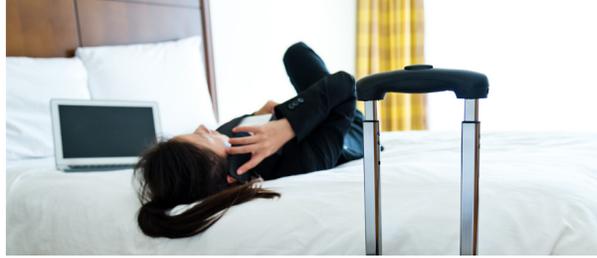

Lasts up to 90 days! For spaces 2,000 - 18,000 cubic ft.

More effective against body odor, sweat, tobacco and ammonia than the leading competitor¹

¹ Ecolab Clean Escape Room Refresher vs. Febreze Deep Penetrating Concentrate, after 1.5 hours, study by Robertet, September 2018.

AIR CARE SOLUTIONS

Welcome to Fresh

- Not all odors are the same. Room refreshers will eliminate everyday odors, but ZephAir or Bio-Enzymatic are needed to tackle stubborn smells. Whether you're looking to eliminate everyday odors or tackle body odor, sweat, tobacco and ammonia, Ecolab offers Air Care solutions for every smell and space.

Air Care

Product

Description

Bio-Enzymatic Odor Eliminator
6101422 2/2 L
6101024 2.5 gal

Specialty odor product eliminates the toughest biological odors such as urine, body odor, pets and trash. Can be used in a spray bottle for soft surfaces, as well as mop and bucket for hard surface applications such as restroom floors. Enzymes eliminate odors at the source and leave behind a subtle, pleasant fragrance. Ideal for pet-friendly hotels, public restrooms and LTC facilities.

ZephAir™ Citrus Cucumber
6101808 2/2 L
6101809 2.5 gal

Tough odor remover designed to eliminate odors on soft surfaces such as carpet, rugs, upholstery, curtains, clothes, and other fabrics.

Citrus Cucumber - fresh melon scent with a hint of citrus and cucumber. Uniquely effective against cannabis smoke. Up to 40% more effective than leading competition.

Large Space Air Freshener
6101992 1 Kit

Programmable air care device that provides consistent fragrance in large spaces such as lobbies, meeting rooms, casino floors, hallways and more. Its patented "vibrating mesh" technology allows fragrance particles to have longer air suspension and to be distributed evenly throughout a large common space of 2,000-18,000 cubic feet. Kit includes: 1 Wall Dispenser with Cabinet, 4 Cartridge Refills (one of each fragrance), 4 C Batteries.

Fogmaster Junior
9265-2090 Each

For simple in-room fogging application of Ecolab's ZephAir and room refreshers products. Dispenses a fine mist capable of penetrating fabrics (curtains, upholstery, carpets). Lightweight reservoir holds 32 oz of product.

Product

Description

Room Refreshers

Daily air fresheners with odor counteractant technology that help create fresh, welcoming and clean environments. Its powerful and long lasting formulations absorb malodors to deliver exceptional consistent results.

CREATE GREAT FIRST IMPRESSIONS WITH ECOLAB'S CARPET AND FLOOR CARE PROGRAM

FIRST IMPRESSIONS ARE IMPORTANT.

Use Revitalize™ Carpet Spotters to help keep your carpets clean and fresh.

Multiple solutions to meet your carpet spotting needs

Revitalize™ Miracle Spotter

An excellent multi-purpose spotter ideal for both common and the "unknown" spots and stains. Carpet & Rug Institute Certified as well as Wool Safe Certified. Use on all carpet types.

Revitalize™ Grease and Oil Spotter

A carpet spot remover specially formulated for removal of oil and grease stains. Leaves no oily residue, preventing resoiling. Wool Safe Certified. Use on all carpet types.

Revitalize™ Chewing Gum Remover

Effectively freezes gum and candle wax so they can be quickly chipped away. Leaves no residue. Non-butyl. Contains no CFCs. Use on all carpet types.

Revitalize™ Biological Spotter and Odor Eliminator

A highly effective, ready-to-use, enzyme based product for the removal of organic stains and related odors. Great for food stains, urine, and other odors. Eliminates malodors at the source with no fragrance cover-up. May be used on all synthetic carpet types.

Get the kit with carrying cradle

CARPET AND FLOOR CARE SOLUTIONS

Carpets and Floors Done Right

- Clean carpets and floors aren't a luxury, they're a necessity - one that requires the investment of limited resources. Daily cleaning is the most important part of any carpet care program. Proper walk-off mats are the first line of defense and the best way to prevent soil from reaching the carpet. Regular vacuuming and prompt spot removal guard against fiber-damaging soils and stains.

Carpet and Floor Care

Product

Revitalize™ Spotting Kit

6101157
6101161
6101145
6101125
6101144

Description

Easy to use lightweight spotting kit. Hang on cleaning carts for easy transportation.

1 Kit (includes 1 each of below, can be ordered separately)
12-5 oz Revitalize Chewing Gum Remover
4-22 oz Revitalize Grease and Oil Spotter
4-22 oz Revitalize Miracle Spotter
4-22 oz Revitalize Biological Spotter and Odor Eliminator

Spotting/Tamping Brush
9265-2026 1 Each

Apply carpet spotting solution, cover with clean light terry cloth rag, use carpet tamping brush to lightly tap the terry cloth rag to work spotting solution into the stain. Blot spotting solution with terry cloth rag and rinse with clean water and blot again.

3 in 1 Carpet Cleaner and Spot Remover
6102024 4/1 gal

3 in 1 Carpet Cleaner and Spot Remover is a powerful peroxide based carpet cleaner. This 3 in 1 product can be used as an extraction cleaner, pre-spray cleaner, and a carpet spotter. It can be used on upholstery and on wool as a pre-spray and extraction cleaner only. It is Carpet and Rug Institute certified as an extraction cleaner, pre-spray cleaner and carpet spotter. It is also Wool Safe certified for extraction and pre-spray cleaning.

Revitalize™ Encapsulation Carpet Cleaner
6195099 4/1 gal

Low-moisture interim cleaner uses polymer technology to encapsulate soil and prevent it from reattaching to carpet. Soil is removed during next scheduled vacuuming. Great for quick turnaround in high traffic areas with a dry time of less than one hour. May be used on all synthetic carpet types. Use with Karcher iCapsol™ machine.

Product

Pinnacle™ Intensive Tile Cleaner
6170211 4/1 gal

Description

Extremely effective alkaline cleaner that removes deeply embedded soil, grease and oil from all ceramic surfaces without harming grout lines.

Pinnacle™ Grout Line Impregnator
6170162 4/1 gal

Ideal for repelling moisture and protecting grout lines from oil, grease and soil. Impregnator absorbs into the pores and does not change the appearance of the tile. Use as needed.

Ecolab Grout Cleaning Brush
61813-01-11

Unique wedge shaped brush is ideal for removing soil from grout valleys.

Brush w/52" Handle
61809-07-00

Handle fits brush head.

THE COMPLETE WAREWASHING PROGRAM FOR RESULTS THAT SHINE, THE FIRST TIME

SMART JOINS POWERFUL TO HELP YOU SHINE

By combining powerful insights, innovative chemistry and personal service SMARTPOWER™ brings your restaurant operation a new level of safety, simplicity and sustainability. With our ability to collect data and develop actionable insights, SMARTPOWER™ brings you better transparency and control across your entire warewashing operation. It's what your guests see that will impress them the most — impeccable wares.

SMARTPOWER™

Insightful Data

Full visibility and control improve process, reducing rewash and labor costs.

The **"Status" screen** provides overall dishmachine performance.

Alarms alert staff to a variety of issues.

Training videos provide **language-free instructions**.

Innovative Chemistry

Formulas eliminate the toughest food soils and decrease rewash by up to 60%¹

Proprietary chemistry combines enzymes, surfactants and polymers to **remove fatty oils, protein and starch residue**.

Proper dilution **eliminates waste and controls cost**.

Shape- and color-coded solid blocks - **safe and easy to store, carry and load**.

100% phosphate-free and 99.7% phosphorus-free.

Personal Service

Delivering the best hands-on service in the industry ensures your success.

Actionable data enables your Ecolab technician to **monitor and service your warewashing operation**, removing the guesswork.

Service Detail Reports document performance to **help improve process**.

Efficiency summaries show **training and cost-savings opportunities**.

Key performance metrics track and record every rack washed for **quality control**.

¹ Based on 2015 Ecolab field test and as compared to Ecolab APEX™ Warewashing program.

WAREWASHING SOLUTIONS

SMARTPOWER™ Program

- All solid chemistry requires less storage space and reduces packaging waste¹
- Innovative design reduces packaging by 97% compared to traditional solids
- Helps reduce total costs of operations by reducing rewash by up to 60%
- EPA-approved broad-range solid sanitizer, the first of its kind

¹ Compared to 5-gallon pails.

Warewashing

Product

SMARTPOWER™
Dishmachine Detergent
6101201 4/6.75 lb
6101202 6/6.75 lb

Description

High performing machine warewashing detergent for use in soft to moderate water conditions, and effective on all types of food soils. It's concentrated formula and powerful chemistry is non-corrosive, and 100% phosphate free and 99.7% phosphorous free.

SMARTPOWER™
Rinse Additive All Purpose
6101203 2/2.5 lb

Aggressive grease-cutting power attacks tough food soils while feeling soft on the hands and helps reduce water consumption by up to 75%.

SMARTPOWER™
Rinse Additive Heavy Duty
6101199 2/2.5 lb

High performing machine warewashing rinse additive for use in normal water conditions. It's concentrated formula and powerful chemistry is non-corrosive, and 99.7% phosphate free.

(SMARTPOWER™)
Solid Sanitizer
6101370 4/100 Tabs

Food contact surface sanitizer for use in low-temperature warewashing machines. The solid tablets make it easy to dispense and handle with no risk of spilling. It leaves dishes sparkling and hygienically clean as it combats a broad spectrum of organisms. EPA registered.

Product

Sink & Surface
Cleaner Sanitizer
6102046 2.5 gal
6102047 4/1 gal
6102048 2/2 L

Description

15-second kill claim against SARS-CoV-2 Norovirus, common cold & flu virus in 30-seconds. Broad foodservice applications including food contact surfaces and third compartment sink sanitization.

Meets FDA Food Code requirements. No PPE required (at use dilution).

KITCHEN CLEANING SOLUTIONS

Front and Back of House Ancillary Solutions

- Effective solutions for your unique needs from grease removal to specialty cleaning and hand hygiene.

Ancillary Products

Product

Description

Sanitizing Wash 'n Walk
6100731 2.5 gal

EPA-registered cleaner and sanitizer that provides total management of floors and drains in a single product. The enzyme based floor cleaner formula extended cleaning of organic grease, fats and oils thereby reducing risks of slips and falls. The sanitizer component of the formula kills 99.9% of *Listeria*, *E. coli*, *Staphylococcus* and *Salmonella*.

No-Rinse Alkaline Floor Cleaner
6102106 2.5 gal

No-Rinse Alkaline Floor Cleaner is a high-performance alkaline floor cleaner that delivers superior cleaning results to both the front and back of house. Compatible with most flooring substrates and safe on grout.

Greaselift™ 6100284
6/32 oz

Greaselift features a unique technology that actually penetrates tough, baked on grease and lifts it away from the surface. It is a powerful degreaser, even though it does not require gloves or goggles to use. It is available in ready-to-use bottles or as a concentrate that can be dispensed into reusable spray bottles, which significantly reducing packaging waste. Greaselift is biodegradable, has no noxious odors, and will not damage aluminum surfaces.

Antibacterial Clean & Smooth Nexa 6100712
4/1250 mL

Antibacterial Clean & Smooth is an economical, high-quality antibacterial lotion soap that is gentle on hands and effective against germs. It is designed to keep employees hand clean and sanitary and to reduce the threat of foodborne illness.

connect.Ecolab.com Customer Portal

Your anytime, anywhere Ecolab personalized online experience

Our customer portal offers you tools and resources to manage your personalized Ecolab experience. Connect is intuitive, easy, and it's customized to YOUR business. Access to your specific location helps you see the big picture to successfully run your operation.

The customer portal is a powerful new way to connect — anytime, anywhere.

- Access product information and safety data sheets for your Ecolab products
- Place orders direct from Ecolab and easily reorder products
- Check status and track shipment on direct orders placed with Ecolab
- View invoices and 90-day history for all direct orders
- Request Service online and view history

Powerful tools. Easy access.

Ordering

Running an optimized operation is even easier with quick access to a personalized view of your Ecolab products along with **one-click ordering**.

Place Orders Online

Find and order products direct from Ecolab, from your PC or mobile device.

Check Order Status

Get instant access to your orders for real-time updates.

Track Shipment

Check your estimated delivery dates in one click for better planning.

View Invoices & Order History

View invoices and history of orders placed with Ecolab for the past 90 days. Add quicklists for easy reordering.

* Ordering only available for products shipped direct from Ecolab. For products you order through our Distributor partners, please continue placing your orders with your respective Distributor.

Service & Support

Extending Ecolab's expert service to the customer portal allows you to **quickly request service** and find information on Ecolab products and services to keep your operation running smoothly.

Request a Service Call

Quickly submit a service request through the customer portal and review history.

View Product Information

Accessible product specifications, descriptions, photos, SDS sheets and more.

Guided Tutorials

Explore website functionalities – launch digital tutorials, access the Resource Library or chat with Ecolab experts to learn about what the customer portal has to offer.

Chat with Agent

Click to chat with Ecolab experts who are available to help you troubleshoot digital issues and answer questions.
