Your 2024 benefits

ELIGIBILITY

If you are a regular full-time or part-time U.S. associate scheduled to work at least 20 hours a week, you and your dependents are eligible for coverage.

You must participate in a benefit plan to enroll your dependents. Eligible dependents include:

- Your spouse/domestic partner
- Your or your spouse/domestic partner’s dependent child(ren), up to age 26
- Your or your spouse/domestic partner’s disabled dependent child(ren) over age 26

DEPENDENT VERIFICATION

If you enroll an eligible dependent for the first time, you must provide documentation confirming their relationship to you. You’ll receive a request for documentation following the completion of your enrollment. If you do not provide the requested documentation, your dependents will not be covered.

Examples of required documentation include:

- Marriage certificate
- Domestic partner affidavit
- Federal tax returns
- Birth certificate for biological children showing you as parent
- Court papers for adopted children or children placed for adoption, legal guardianship or custodianship

Do you need to take action?

Your 2023 coverage will continue for 2024 — including any contributions you are making to the Health Savings Account (HSA).

However, you **must** take action if you want to:

- Contribute to either the Health Care or Dependent Day Care Flexible Spending Accounts (FSAs)
- Choose a different medical plan
- Increase your HSA contributions for 2024
- Change any of your other benefit elections

Newly hired?

You must complete your benefits enrollment within 31 days of your date of hire.

Your benefits and payroll deductions are retroactive to your hire date, except for the HSA, FSAs and the Employee Stock Purchase Plan, which are effective on a go-forward basis.

If you do not take action, you will default to NO COVERAGE in 2024

for medical, prescription, dental, vision, FSAs, Optional Life and AD&D insurance, optional long-term disability insurance and group legal services.

How to enroll

Enroll in your benefits online or by phone.

ONLINE 24/7

To get started, visit [My Benefits](https://mybenefits.us.ecolab.com) at mybenefits.us.ecolab.com.

If you are a first-time user, you must register. Select "First time visiting? Register Now!" and answer the questions to set up your username and password.

Visit the Enrollment Center and follow the on-screen instructions to enroll and take advantage of tools to help you make your decisions. Print a confirmation of your enrollment to keep for your records.

BY PHONE

If you don't have access to the internet or need further assistance, call the Ecolab Benefits Center at **1.800.964.0265** Monday through Friday, between 7 a.m. and 7 p.m. Central time.

CHANGING COVERAGE DURING THE YEAR

The IRS limits changes to your benefit elections during the year. The elections you make during open enrollment are effective for the 2024 calendar year. If you experience a life event, such as birth, marriage, divorce, etc., you must make changes within 31 days of the event. **If you do not make changes within 31 days of the event, you cannot make a change to your benefits coverage until the next open enrollment period.**

Visit [My Benefits](https://mybenefits.us.ecolab.com) to make changes.

Note: Changes to your Health Savings Account or Employee Stock Purchase Plan can be made at any time.

Is your provider in-network?

To confirm your doctor is in the Cigna network or find an in-network provider near you:

- If you're enrolled in a medical plan, visit [My Benefits](#) and click on the myCigna link under My Benefit Providers, or call **1.800.900.3791**.
- If you're not currently enrolled in a medical plan, call **1.800.401.4041**.

Whether you are facing an illness or injury, or simply use preventive care, Ecolab offers comprehensive protection against the financial hardship that can accompany a medical need. Ecolab offers two medical plan choices: the Health Savings Account Plan and the Traditional Plan.

Both plans offer:

- Coverage for the same health care services
- In-network preventive care services at 100% with no deductible
- Access to a national network of high-quality providers through Cigna
- Prescription drug coverage through CVS Caremark
- Freedom to see the health care provider of your choice with no referral

Visit [My Benefits](#) at mybenefits.us.ecolab.com for details and how to enroll or make changes.

Plan highlights

- Pay lower premiums with a higher deductible and out-of-pocket maximum
- Paired with a **Health Savings Account (HSA)**
- Can enroll in a **Limited Purpose Health Care Flexible Spending Account (FSA)**
- Prescriptions apply to the medical plan deductible and out-of-pocket maximum
- Certain preventive drugs covered at 100%

Health Savings Account Plan

HOW THE PLAN WORKS

- 1 In-network preventive care is covered 100%. Out-of-network preventive care is not covered by the plan.
- 2 You pay the full cost of all non-preventive care (including most prescriptions) until you reach your deductible.
- 3 After you meet your deductible, the plan shares the cost of your non-preventive care (including prescriptions) through coinsurance up to the annual out-of-pocket maximum.
- 4 When you meet your out-of-pocket maximum, the plan will pay 100% of all covered in-network expenses for the remainder of the calendar year.

Traditional Plan

HOW THE PLAN WORKS

- 1 In-network preventive care is covered 100%. Out-of-network preventive care is not covered by the plan.

With the exception of prescriptions

- 2 You pay the full cost of all non-preventive medical care until you reach your deductible.

Contributions to an HSA	Available		Not available	
Contributions to an FSA	Limited Purpose		Health Care FSA	

¹ If you receive services from an out-of-network provider, the plans will only cover 150% of a fee schedule developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. You will be responsible for any fees in excess of what is considered 150% of the fee schedule. Charges in excess of the fee schedule do not apply toward your deductible or out-of-pocket maximum.

Medical premiums

Ecolab pays the majority of your medical plan cost and you pay the other portion of pre-tax premiums out of each paycheck. The company’s estimated spend for 2024 medical cost is \$176.8 million — 74% of the total estimated costs. Ecolab uses a pay-based premium structure, this means the pre-tax amount you pay for your coverage will be based on your annual pay. The premiums shown are monthly and will be spread over your paychecks received during the month.

Medical	Health Savings Account Plan	Traditional Plan
Group 1: Your annual pay¹ is less than \$70,000		
Associate only	\$169	\$239
Associate + spouse/domestic partner	\$313	\$442
Associate + child(ren)	\$269	\$407
Family	\$438	\$630
Group 2: Your annual pay¹ is \$70,000 – \$130,000		
Associate only	\$185	\$259
Associate + spouse/domestic partner	\$343	\$479
Associate + child(ren)	\$294	\$440
Family	\$479	\$683
Group 3: Your annual pay¹ is more than \$130,000		
Associate only	\$191	\$267
Associate + spouse/domestic partner	\$355	\$494
Associate + child(ren)	\$304	\$455
Family	\$496	\$704

¹Annual pay is based on your eligible earnings paid during the 2022 calendar year, including base salary, eligible overtime pay, shift differential premium, commissions, annual incentive bonuses paid in the form of cash (but not long-term incentive bonuses), vacation pay and personal leave. If you were hired after January 1, 2022 your total base pay on Hire Date in Workday will be used to determine your Ecolab medical premiums.

Domestic partner premium taxation

If you enroll your domestic partner or your domestic partner’s children in medical, dental and/or vision coverage, the total value of their benefit is taxed as imputed income.

Each pay period, your earnings will be increased for tax purposes, but the increased earnings are not reflected in your net pay. This means the full cost to cover your domestic partner and/or their children includes your premiums plus the imputed income tax.

You may qualify for tax-free coverage if your domestic partner meets certain tax qualifications and you claim them as a tax dependent. Contact the Ecolab Benefits Center at **1.800.964.0265** for details.

Prescription drug coverage

Watch a [short video](#) on how to get the most from your prescription drug coverage. (2:07 min.)

There are some things in life we depend on. Medication is often one of them. Ecolab provides prescription drug benefits, administered by CVS Caremark, under both medical plan options — the Health Savings Account Plan and the Traditional Plan — there’s no need to enroll separately.

Refer to the chart on the next page to see how prescription coverage works under each plan. Under both plan options, the cost of your prescription drugs will depend on whether your prescribed medication is classified as generic, formulary brand, nonformulary brand or weight management. Refer to [page 13](#) for additional details.

COMPARING HOW PRESCRIPTION DRUG COVERAGE WORKS BETWEEN PLANS

	Health Savings Account Plan	Traditional Plan
Deductible	Prescription costs are subject to the medical deductible. You are responsible for 100% of the cost until you meet the medical deductible. Some preventive drugs are paid in full before the deductible.	A deductible does not apply; your prescription drug costs will not count toward the medical deductible.
Coinsurance	After you meet the deductible, you and the plan share the cost of prescription drugs through coinsurance.	You pay a portion of prescription drug costs through coinsurance, subject to minimum and maximum amounts.
Out-of-pocket maximum	Prescription costs are subject to the medical out-of-pocket maximum. Once you meet the maximum, the plan pays 100% of the cost for the rest of the calendar year.	You have a separate prescription drug out-of-pocket maximum: <ul style="list-style-type: none"> • \$1,600 associate only • \$3,200 for other coverage tiers Once you meet the prescription drug out-of-pocket maximum, the plan pays 100% of the cost for the rest of the calendar year.
Example: A non-preventive formulary drug costs \$100.	<ul style="list-style-type: none"> • You are responsible for paying the full cost of the drug until you meet your deductible. • You may use money in your HSA to cover the cost. • The cost of the drug will count toward your annual deductible and out-of-pocket maximum. 	<ul style="list-style-type: none"> • You pay \$30 (30% of \$100). • You may use money in your Health Care FSA to cover the cost. • This amount counts toward the prescription drug out-of-pocket maximum. • It does not count toward your medical deductible or medical out-of-pocket maximum.

Lower your prescriptions costs

Caremark® Cost Saver™ program

CVS Caremark® and GoodRx have teamed up to provide a prescription drug discount solution that can help lower your out-of-pocket costs.

With the Caremark Cost Saver program, you will have automatic access to GoodRx's prescription pricing, so you can pay lower prices, when available, on generic medications at the pharmacy counter.

PrudentRx

PrudentRx is a prescription drug program integrated with CVS Specialty Pharmacy to help reduce out-of-pocket costs for certain specialty medications. PrudentRx makes it possible for you to receive covered specialty medications at \$0 out-of-pocket cost when you fill your prescription at a local CVS pharmacy or have it delivered to your home through mail order.

For additional information, please contact PrudentRx directly at **1.800.578.4403**, Monday through Friday, between 7 a.m. and 7 p.m. Central time. Spanish-speaking advocates and language services are available.

Managing your medications

Your prescription drug program through CVS Caremark includes several drug utilization management programs.

CVS CAREMARK MAIL ORDER OR CVS PHARMACY

If you regularly take a medication to manage or prevent a condition, you **must** use mail order or a local CVS retail pharmacy to fill a 90-day prescription. Visit [CVS Caremark](#) for more information.

You may purchase the first two refills of a long-term medication at any in-network retail pharmacy. If you do not use mail-order or a CVS retail pharmacy for the third refill, you will pay the full cost of the third refill when purchased at a non-CVS retail pharmacy (except where required by state law).

Note: Exceptions may apply in certain states regarding requiring options to fill your 90-day prescriptions.

FACTORS AFFECTING PRESCRIPTION COSTS

Drugs are added and removed from the formulary brand list throughout the year, which may impact your cost if your prescription is reclassified. Prescription drug costs are also subject to price changes from the manufacturer.

Estimate your prescription expenses

Knowing how much you spend on prescription drugs can help you make informed choices. Contact CVS Caremark at **1.866.490.0021** to help you estimate your prescription drug costs.

- Allergies
- Constipation
- Cough
- Diarrhea
- Earache
- Fever
- Flu
- Headache
- Vomiting
- Pink eye
- Sore throat
- And more

Around-the-clock telemedicine: MDLIVE®

Health care should be simple, fast and uncomplicated. MDLIVE makes it easy to visit a doctor in minutes through a mobile app, online and by phone. Get access to quality health care without ever leaving your home, your job or wherever you are.

MDLIVE is offered as part of your Cigna medical plan and provides:

- An alternative to using the emergency room or urgent care
- A national network of licensed, board-certified, U.S.-based doctors
- Prescriptions sent to your pharmacy by the provider
- Coordination with your primary care provider

Telemedicine is an affordable, convenient option for minor medical conditions and usually costs less than a traditional doctor's office or urgent care visit. And your out-of-pocket cost is the same or less than a visit with your primary care provider.

HOW TO USE MDLIVE

Call **1.888.726.3171**, log into **MDLIVE** or download the MDLIVE app from the Google Play® store or Apple® App Store®. MDLIVE is available 24/7/365, including holidays.

Virtual behavioral health support from MDLIVE

Everyone needs a helping hand when times get tough. In addition to the mental and behavioral health resources available from Ecolab's Employee Assistance Program (EAP), you can schedule low-cost virtual behavioral health sessions online in minutes through MDLIVE.

Visit with a licensed counselor or psychiatrist for help with:

- Anxiety and depression
- Grief and loss
- Relationship and marriage issues
- Stress
- Trauma/PTSD
- Eating disorders
- Parenting issues
- And much more

The provider you meet with can diagnose, treat and prescribe most medications for non-emergency behavioral and mental health conditions and can send prescriptions directly to your pharmacy.

HOW TO USE MDLIVE

Is your provider in-network?

To find a dentist in the MetLife network, call **1.800.942.0854** or visit [MetLife](#).

Watch a [short video](#) to learn more about the differences between your dental plan options. (3:00 min.)

Staying healthy includes good dental care. Ecolab’s dental plans provide the comprehensive coverage necessary to help you and your family maintain good dental health. Ecolab offers two dental plan choices: the Standard Plan and the Premier Plan. The dental benefit is insured by MetLife.

HOW THE PLANS WORK

- You have the flexibility to see any dentist you choose. However, discounted rates are available by seeing an in-network dentist.
- Preventive care such as exams and cleanings are covered at no cost to you.
- For care beyond preventive, you pay the plan deductible, then both plans have coinsurance where you and the plan share the cost.

Visit [My Benefits](#) at mybenefits.us.ecolab.com for details and how to enroll or make changes.

New for 2024

Get rewarded for preventive oral care!

Beginning January 1, 2024, associates who receive one preventive exam and cleaning during the calendar year will earn a **\$250** increase to their annual maximum dental benefit the following calendar year, capped at two years.

Here's how it works

Receive a preventive exam and cleaning in 2024, and then each year after:

If you choose the **Standard plan**, your annual maximum will increase to **\$1,250 for 2025** and **\$1,500 for 2026**.

If you choose the **Premier plan**, your annual maximum will increase to **\$1,750 for 2025** and **\$2,000 for 2026**.

If you do not receive one preventive exam and cleaning in a given year, your annual maximum will go back to the prior year's amount.

SmileDirectClub is part of MetLife's dental network!

MetLife's PPO dental network includes SmileDirectClub's providers, giving you easy access to this in-home teeth straightening option, regardless of which Ecolab dental option you choose. You can learn more about these benefits by visiting [metlife.com](https://www.metlife.com) or calling **1.800.438.6388**.

Is your provider in-network?

To find a provider in the VSP Signature network, call **1.800.877.7195** or visit **VSP**.

Watch a **short video** to get to know your VSP vision benefits. (4:00 min.)

Ecolab offers coverage to help you pay vision expenses, such as annual exams and eyeglasses (lenses and frames) or contacts. This benefit is insured by Vision Service Plan (VSP).

HOW THE PLAN WORKS

You have the freedom to receive services from any provider. You will, however, receive a greater level of benefit if you use a provider who participates in the VSP Signature network. By using a network provider, you may also receive discounts for services not otherwise covered by the vision plan (i.e., sunglasses and laser vision correction).

Visit **My Benefits** at **mybenefits.us.ecolab.com** for details and how to enroll or make changes.

Understanding the Health Saving Account

An HSA is not an FSA

[Learn more](#) about how they differ.

If you enroll in the Health Savings Account Plan, you can contribute to a Health Savings Account (HSA) on a pre-tax basis through payroll deduction. You can start, stop or change your HSA contributions anytime on [My Benefits](#) or by calling **1.800.964.0265**. Ecolab may also make contributions based on your annual pay, if you are eligible.

Eligible for an HSA?

If you enroll in the Health Savings Account Plan, an account with HSA Bank will automatically be opened for you. However, due to the tax-advantaged nature of an HSA, there are specific eligibility requirements, including:

- You may not be covered by another non-qualified high deductible health plan (for example, a spouse's traditional medical plan that covers you).
- You and your spouse may not enroll in a medical Flexible Spending Account that could reimburse your medical expenses.
- You may not be enrolled in a government health plan, such as Medicare A and/or B or Medicaid.
- Children who are not your tax dependents are not eligible for reimbursement from the HSA.
- You may not have an HSA and be claimed as a dependent on someone else's tax return.

If any of the above eligibility requirements apply to you, you must call the Ecolab Benefits Center at **1.800.964.0265** to decline the HSA. By declining the HSA, you will not be eligible to receive Ecolab contributions to the account.

2024 HSA contributions

Ecolab’s contribution to your HSA is based on your 2022 annual pay as shown in the chart below. You may also choose to contribute to your HSA, based on the annual limits below.

Ecolab contributes...	Throughout 2024, you can contribute through payroll deduction...
<p>Group 1: If your annual pay¹ is less than \$70,000</p> <ul style="list-style-type: none"> • \$1,000 for associate only medical coverage • \$2,000 for all other medical coverage tiers <p>Group 2: If your annual pay¹ is \$70,000 – \$130,000</p> <ul style="list-style-type: none"> • \$350 for associate only medical coverage • \$700 for all other medical coverage tiers <p>Group 3: If your annual pay¹ is more than \$130,000, there is no Ecolab HSA contribution.</p>	<p>Your total HSA contribution (both the contribution made by Ecolab and by you) can be:</p> <ul style="list-style-type: none"> • Up to \$4,150² for associate only • Up to \$8,300² for associate + spouse/domestic partner coverage, associate + child(ren) or family coverage • An additional \$1,000² if you are age 55 or older anytime in 2024

¹ Annual pay is based on your eligible earnings paid during the 2022 calendar year, including base salary, eligible overtime pay, shift differential premium, commissions, annual incentive bonuses paid in the form of cash (but not long-term incentive bonuses), vacation pay and personal leave. If you were hired in 2022 and worked less than 12 months, or were hired in 2023, your total base pay on Hire Date in Workday will be used to determine your Ecolab HSA contribution.

² These amounts are set by the IRS and may change annually, and include both your and Ecolab's contributions.

TIMING OF CONTRIBUTIONS

Ecolab’s HSA contributions, if applicable, will be divided so that 50% will be deposited to your HSA in January 2024 and 50% will be deposited in July 2024. To receive the contribution, you must be employed at Ecolab on the date the contribution is made.

IMPORTANT: In some instances, the bank may request additional information from you to verify the account before it can be opened. Your associate and/or employer HSA contributions will be pended until your account has been opened. If your account has not been opened by December 1, you are not eligible for the HSA employer contribution for that plan year.

Using your HSA

Funds in your HSA can be used to pay for:

- Qualified medical expenses
- Qualified dental, vision and hearing expenses
- COBRA continuation coverage if you leave employment with Ecolab
- Qualified long-term care insurance

Funds can also be used to build savings to cover future medical expenses into retirement, including Medicare premiums and out-of-pocket expenses.

You will receive a welcome kit, including an HSA debit card, which may be used to pay for qualified health care expenses directly. Or you may reimburse yourself from your HSA at a later date. You own the amount in your account and may take it with you if you leave Ecolab.

You do not need to provide proof of your expenses to HSA Bank. However, you should keep your receipts in case you are audited and need to provide proof that your withdrawals were for qualified health care expenses.

ALREADY HAVE AN HSA?

Visit [My Benefits](#) and click on the myCigna link under My Benefit Providers to view your balance or learn more.

Newly hired?

You have 31 days from your date of hire to enroll in the Health Savings Account medical plan.

Your Ecolab contribution schedule:

- Coverage effective January 1 – June 30: 50% deposited following enrollment, 50% deposited in July
- Coverage effective July 1 – October 31: 50% deposited following enrollment, no additional contribution for 2024
- Coverage effective November 1 – December 31: No Ecolab contribution for 2024

Note: Your contributions to any HSA in 2024 — including those with a prior employer — count toward your IRS annual limit. Please consider the amount already contributed this year in addition to any eligible Ecolab employer contributions when electing your 2024 HSA payroll contributions.

Remember

You must actively enroll in an FSA each year to participate. FSA elections do not carry over.

Flexible Spending Accounts (FSAs) can help you save money on out-of-pocket medical, prescription, dental, vision and dependent care expenses. The FSAs are administered by ThrivePass and enable you to set aside pre-tax money to pay for eligible expenses.

HOW THE FSAs WORK

You contribute pre-tax dollars through payroll deductions during the year. You may use your health care FSA debit card to pay providers, or submit claims to reimburse yourself for eligible expenses as you incur them. Expenses must be incurred by December 31, 2024, and submitted for reimbursement by March 31, 2025.

Visit [My Benefits](https://mybenefits.us.ecolab.com) at mybenefits.us.ecolab.com for details and how to enroll or make changes.

THERE ARE THREE TYPES OF FSAs

Health Care FSA	Limited Purpose Health Care FSA	Dependent Day Care FSA
<ul style="list-style-type: none"> Available to associates not enrolled in the Health Savings Account Plan Used to pay for eligible health care expenses you pay out of pocket (e.g., copayments, deductibles, eyeglasses, contacts, hearing aids, etc.) Carry over up to \$610 into the next plan year for unused expenses 	<ul style="list-style-type: none"> Available only to associates enrolled in the Health Savings Account Plan Used to pay for qualifying dental and vision expenses only. You may use your HSA to pay for medical or prescription drug expenses pre-tax Carry over up to \$610 into the next plan year for unused expenses 	<ul style="list-style-type: none"> Available to all associates Used to pay for eligible dependent day care expenses for a child (e.g., child care for children up to the age of 13) or an elderly parent or disabled spouse “Use it or lose it” rule applies. Life insurance

Name your beneficiaries

In the event of your death, your benefits are paid to your beneficiaries. Naming your beneficiary ensures the money goes to the right person. You can designate more than one beneficiary or name a trust, charity or estate to receive the benefit.

Update your beneficiaries anytime on [My Benefits](#).

Protecting the financial interests of your loved ones in the event of your death or serious injury can be invaluable. Ecolab provides basic life insurance and offers optional associate-paid coverage for life insurance and AD&D (accidental death or dismemberment) benefits insured by Prudential.

HOW THE PLAN WORKS

Your life insurance benefits are payable to your designated beneficiary in the event of your death. If you enroll in optional AD&D, an additional benefit is payable to you in the event of a covered dismemberment or to your beneficiary if your death is a result of an accident.

Changing your coverage

You can **increase one level of coverage** during annual open enrollment without providing Evidence of Insurability (EOI). However, if you decide to increase your coverage two or more levels above your current amount, EOI will be required.

Coverage will be reduced to 65% of the original value at **age 65** and to 50% of the original value at **age 70**. Coverage reduction goes into effect January 1 of the following year.

This limit applies to the following plans:

- Basic Life
- Spouse/Domestic Partner Life
- Optional Life
- Optional AD&D

For more details, see the Summary Plan Description on [My Benefits](#).

Newly hired?

EOI may be required if:

- You elect an Optional Employee Life Insurance amount that exceeds the lesser of four times earnings or \$500,000
- You elect Spouse/Domestic Partner Life Insurance coverage over \$50,000

COVERAGE PROVIDED BY ECOLAB

• Basic Life Insurance

- If you were hired on or after January 1, 2019: Coverage is equal to one times your annual pay (as defined by the plan), rounded to the next higher \$1,000 increment, up to a \$2 million maximum.
- If you were hired before January 1, 2019: Coverage is equal to two times your annual pay (as defined by the plan), rounded to the next higher \$1,000 increment, up to a \$2 million maximum.
- Per IRS regulations, you pay tax on the premium paid by Ecolab for coverage over \$50,000.

- **Business Travel Accident Insurance** — Coverage for accidental death or dismemberment while traveling on company business; equal to three times your pay, up to a \$1 million maximum limit with a \$250,000 minimum benefit.

OPTIONAL ASSOCIATE-PAID COVERAGE

- **Optional Employee Life Insurance** — One to nine times your pay, up to \$2 million maximum. Evidence of Insurability (EOI) may be required if your Optional Life amount exceeds the lesser of four times earnings or \$500,000.
- **Optional Employee Accidental Death & Dismemberment (AD&D)** — Available in flat dollar amounts of \$50,000, \$100,000, \$250,000, \$500,000, \$750,000 and \$1 million. No Optional Spouse/Domestic Partner or Child AD&D is available.
- **Spouse/Domestic Partner Life Insurance** — Available in increments of \$10,000, \$25,000, \$50,000, \$75,000, \$100,000 and \$150,000. EOI will apply for any new coverage over \$50,000.
- **Child Life Insurance (per child)** — Available in increments of \$5,000, \$10,000, \$15,000, \$20,000 and \$25,000 for children from live birth up to age 26.

Disability

Ecolab's disability program is designed to provide income protection if you are unable to work due to an accident or sickness.

HOW IT WORKS

Disability claims are reviewed and approved by Aflac. If approved, associates may be eligible for disability pay.

- **Short-term disability** — Ecolab provides up to 25 weeks of disability pay at no cost to you. Review the [short-term disability policy](#) for more information.
- **Long-term disability** — Ecolab provides insurance to protect your income if you become disabled and are unable to work for an extended period of time. If approved by Aflac, payments begin after 180 days of continuous disability (after short-term disability ends).
 - Basic coverage: 60% of your pay at no cost to you
 - Optional coverage:* purchase an additional 10% of your pay, for a total benefit of 70% pay replacement, on a pre-tax basis

Note: A maximum limit of \$15,000/month in taxable income protection applies to basic and optional combined. Your benefit will be taxed when you receive it.

* If your annual base salary exceeds \$300,000, optional long-term disability is not available.

401(k) Savings Plan

The Ecolab 401(k) plan is key to helping you achieve your long-term financial goals. The plan allows you to save for your retirement with pre-tax and/or Roth after-tax contributions.

Plan highlights

- Available to full-time and qualifying part-time associates
- Administered by Fidelity with a variety of investment options
- Ecolab matches 100% of the first 4% of pay you contribute and 50% of the next 4%, for a total match of up to 6% of pay (IRS limits may apply)
- Your contributions **and** Ecolab's matching contributions are 100% vested
- Contribute from 1% to 50% of your pay up to the IRS annual limit (\$22,500 in 2023)*
- Age 50 or older? Make catch-up contributions up to \$7,500 in 2023*

* The 2024 IRS annual limits were not available at the time of publishing. Updates will be made when the 2024 annual limits are available.

ACCESSING YOUR 401(K)

To access your 401(k), visit [My Benefits](#) and click on the Fidelity 401(k) link under My Benefit Providers, or call **1.800.835.5091** to:

- Enroll
- Update your beneficiaries
- View your balance
- Make changes to your contributions
- View your Ecolab match
- Change your investment allocations
- Review the Savings Plan Prospectus and Summary Plan Description

Newly hired?

- There is no waiting period to participate in the 401(k).
- Enroll in the plan anytime after receiving your first paycheck. Once your enrollment is complete, your payroll deductions will begin.
- To enroll in the 401(k), update your beneficiaries or roll over funds from a previous employer, visit [My Benefits](#) and click on the Fidelity 401(k) link under My Benefit Providers.

Your contributions to any 401(k) plan in 2024 — including those with a prior employer — count toward your IRS annual limit. Please consider all your 401(k) contributions when electing your 2024 contribution percentage under the Ecolab 401(k) Savings Plan.

Planning to retire?

Ecolab is here to support you. Visit the [Retirement Resource Center](#) or contact an Ecolab Retirement Specialist at **1.877.854.6541** for information and tools to help you prepare for retirement.

Newly hired?

You'll automatically become a participant in the Ecolab Pension Plan on January 1 following your hire date. You will have access to the "Your Pension Resources" link on [My Benefits](#) three months following your hire date to learn more about this benefit. **Be sure to complete a Pension Beneficiary form** available on [My Benefits](#) > My Resource Library.

Pension Plan

The Ecolab Pension Plan is another way Ecolab contributes to your retirement income. This benefit is fully paid for by Ecolab.

Plan highlights

- Consists of a Cash Balance Pension Plan with contribution credits equal to 3% of your annual compensation
- Vested after three or more years of continuous service
- Elect to receive your benefit in a lump sum or in monthly payments for your lifetime after you leave Ecolab

Visit [My Benefits](#) and click on the Your Pension Resources link under My Benefit Providers for personalized estimates, to update your beneficiaries and for other information regarding your Ecolab pension benefits.

Retiree Health Benefits

If you are at least age 55 with 10 years of service, or age 62 or older on the date of your retirement, you have the option to enroll in retiree health benefits, which include medical, prescription, dental and vision coverage. You will have a one-time opportunity to enroll in Ecolab's retiree health benefits following your retirement, or when COBRA coverage ends if elected first.

Cigna Confide Enhanced Employee Assistance Program

The Cigna Confide Employee Assistance Program (EAP) can help with navigating through big events in your life, but it's also there to help find solutions to more routine tasks.

- Provided for you and your family members at **no cost**
- You do not need to be enrolled in the Ecolab medical plan
- Cigna Confide advocates are available anytime, day or night, to answer your questions, direct you to valuable resources and connect you with a mental health professional, if necessary. You can also access a concierge service to help you navigate the Cigna network to make connections and schedule related appointments.

These services are free and confidential and include:

- **Counseling:** receive phone consultations and five virtual or in-person sessions with a licensed mental health professional on the Cigna Behavioral Health network, all at no cost to you
 - An EAP network of more than 120,000 providers, including over 60,000 that offer virtual services
 - Condition-specific support for autism, substance abuse disorders, depress, anxiety, stress, eating disorders and more
 - Immediate 24/7 access to self-paced programs available online or via mobile app
- **Child care referrals:** day care centers and homes, preschool programs, nannies, prenatal classes and more

- **Eldercare:** onsite assessment of the elder's own living environment, assess possible housing options such as assisted living and more
- **Pet care:** find a veterinarian, pet sitter, obedience training location or pet insurance
- **Identity theft support:** two 30-minute consultations with a fraud resolution specialist at no cost to you
- **Legal assistance:** two 30-minute consultations at no cost to you and up to 25% discount on select fees*
- **Financial management:** two 30-minute consultations at no cost to you
- **And more!**

Learn more about how the Cigna Confide EAP can help. Visit mycigna.com (employer ID: ecolab) or call **1.800.900.3791**.

* Legal consultations and discounts are not eligible for employment-related issues.
