Pest Management Solutions for Retail

Pests Can Damage Your Brand

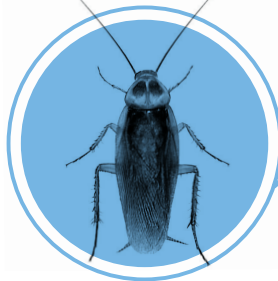

Rodents

Rats and mice can enter a building in an opening as small as a quarter.

Large Flies

Carry more than 200 pathogens including *Salmonella* and *E. coli*.

Cockroaches

One pair can infest your facility with over 1 million offspring in less than a year.

Stored Product Pests

Can chew through common packaging found on store shelves such as cardboard and bags, and contaminate the finished product.

SAFER FOOD

Maintain health department compliance, better standardization, and more reliable safety measures through innovative pest elimination solutions.

INNOVATION TO ACHIEVE ELIMINATION

Proprietary protocols and science-based solutions can eliminate pests, not just minimize their impact.

PROFIT PROTECTION

Pest activity can lead to product loss and lost revenue.

CONSISTENCY ACROSS LOCATIONS

Extensive training program leads to consistent service delivery across all your locations.
